WILMINGTON, DE, March 11, 2009 –Harry's Seafood Grill announces the opening of Harry's Fish Market + Grill, set to debut in the Riverfront Market this Spring, 2009. The business will feature fresh premium retail fish as well as prepared foods for consumption in the market, as well as takeout breakfast and lunch items.

Xavier Teixido, owner of Harry's Savoy Grill and Ballroom, Harry's Seafood Grill and the new Harry's Fish Market, states, "We are excited to be part of the market and make our food available in a very casual setting. We see ourselves as the missing link here, as currently the market has vendors that sell beef, produce and Italian specialties. We will be the first and only outlet for retail seafood."

The menu will feature fish and chips, crab cake sandwiches, gourmet burgers and grilled chicken sandwiches, along with an assortment of farm-fresh salads, and a variety of homemade soups. Breakfast will include beignets (hot New Orleans style doughnuts) and New Orleans French market coffee as well as breakfast burritos. The fish market and grill will also be open for casual catering events, as well as office catering. The space itself will have an old-time feel in keeping with the character of the original market.

Chef David Leo Banks, CEC, AAC, Executive Chef for both Harry's restaurants, will oversee the menu. Teixido continues, "We are looking forward to being able to provide Harry's quality cuisine in a casual, on-the-go arena for today's busy professionals and Wilmington Riverfront visitors alike. It'll be a great complement to our restaurant, as those who maybe don't have the time to visit us to sit down and dine can get a feel for what we have to offer in a manner that suits them." Menus, specials, hours of operation and more will all be found at Harry's website, [www.harrys-savoy.com](http://www.harrys-savoy.com).

Harry's Fish Market will be open according to Riverfront Market hours, which are 9 AM to 6PM Monday through Friday, 9AM to 4PM Saturday and closed Sunday. Some merchants open at 7:30AM daily. The Riverfront Market is located next to Harry's Seafood Grill at 3 South Orange Street, Wilmington DE, 19801.
